

Cerevel Therapeutics to Present at the Morgan Stanley 18th Annual Global Healthcare Conference

September 14, 2020

BOSTON – September 14, 2020 – [Cerevel Therapeutics](#), a company dedicated to unraveling the mysteries of the brain to treat neuroscience diseases, announced Chairperson and Chief Executive Officer Tony Coles, M.D., will participate in a fireside chat at the Morgan Stanley 18th Annual Global Healthcare Conference on Wednesday, September 16, 2020 at 9:30 a.m. EDT.

The conference will be held virtually and a live webcast of the event is accessible [here](#). A replay will be available in the same section of the company's website for approximately 90 days.

About Cerevel Therapeutics

Cerevel Therapeutics is dedicated to unraveling the mysteries of the brain to treat neuroscience diseases. The company seeks to unlock the science surrounding new treatment opportunities through understanding the neurocircuitry of neuroscience diseases and associated symptoms. Cerevel Therapeutics has a diversified pipeline comprising five clinical-stage investigational therapies and several preclinical compounds with the potential to treat a range of neuroscience diseases, including schizophrenia, epilepsy, Parkinson's disease, and substance use disorder. Headquartered in Boston, Cerevel Therapeutics is advancing its current research and development programs while exploring new modalities through internal research efforts, external collaborations or potential acquisitions. Special Note Regarding Forward-Looking Statements

This press release contains forward-looking statements that are based on beliefs and assumptions and on information currently available. In some cases, you can identify forward-looking statements by the following words: "may," "will," "could," "would," "should," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "project," "potential," "continue," "ongoing" or the negative of these terms or other comparable terminology, although not all forward-looking statements contain these words. These statements involve risks, uncertainties and other factors that may cause actual results, levels of activity, performance or achievements to be materially different from the information expressed or implied by these forward-looking statements. Although we believe that we have a reasonable basis for each forward-looking statement contained in this press release, we caution you that these statements are based on a combination of facts and factors currently known by us and our projections of the future, about which we cannot be certain. Forward-looking statements in this press release include, but are not limited to, statements regarding the proposed business combination, including the timing and structure of the transaction, the proceeds of the transaction, the initial market capitalization of the Combined Company and the benefits of the transaction, as well as statements about the potential attributes and benefits of Cerevel Therapeutics' product candidates and the format and timing of Cerevel Therapeutics' product development activities and clinical trials. We cannot assure you that the forward-looking statements in this press release will prove to be accurate. These forward looking statements are subject to a number of risks and uncertainties, including, among others, the ability to complete the business combination due to the failure to obtain approval from Arya II's shareholders or satisfy other closing conditions in the business combination agreement, the occurrence of any event that could give rise to the termination of the business combination agreement, the ability to recognize the anticipated benefits of the business combination and other risks and uncertainties, including those to be included under the header "Risk Factors" in the registration statement on Form S-4 to be filed by Arya II with the SEC and those included under the header "Risk Factors" in the final prospectus of Arya II related to its initial public offering. Furthermore, if the forward-looking statements prove to be inaccurate, the inaccuracy may be material. In light of the significant uncertainties in these forward-looking statements, you should not regard these statements as a representation or warranty by us or any other person that we will achieve our objectives and plans in any specified time frame, or at all. The forward-looking statements in this press release represent our views as of the date of this press release. We anticipate that subsequent events and developments will cause our views to change. However, while we may elect to update these forward-looking statements at some point in the future, we have no current intention of doing so except to the extent required by applicable law. You should, therefore, not rely on these forward-looking statements as representing our views as of any date subsequent to the date of this press release.
